### **Stimulus - Report 2018**

The Annual College Fest, "STIMULUS 2K18" was held at Index Medical College. A week long extravaganza was organized in the College premises. It touched the lives of all who were involved and visited the fest. The grand endeavor was turned into realities, under the guidance of the Chairman, Mr. Suresh Singh Bhadoriya and Dean, Mr. S.M. Holkar who were ably assisted by the staff and the core team of student council. With a thunderous line-up of cultural and academic events and sport competitions topped with engaging workshops, it was crowd pleasing to every circle of students.

The annual fest commenced with the blessings of Goddess Saraswati and lighting of the lamp by our Chief guest, Dignitaries, Teachers and the core team. The spectacular initial days were started with the sports events with ring of students from various streams. Several indoor and outdoor sports activities like chess, carrom, badminton, Cricket, Kabaddi, Table tennis, etc. were conducted. The participating players were encouraged and cheered throughout the matches. The students showcased a great sense of discipline and mastery of skill achieved through months of hard work. The spirit of sportsmanship was in the air. The atmosphere of the college was one of festivity and jubilation.

It was followed by the cultural and academic events. Participants stole the hearts by their mesmerising performances. The overwhelming response from the audiences set the evidence of our successful music event. Keeping up the fervour of the students to an all-time high, the rhythms and the beats of the Hindi and Western singing competitions resonated around the whole campus. With the greatest hit of Bollywood songs the solo competition mesmerized our souls.

Furthermore, the instrumental songs presented in the competition added ambiance to the event. Any event is incomplete without the power pack treasure of dances. The dances that highlight life, strength, and a different story of its own, made the audience to watch in awe how one can turn imagination into reality. The aura of western dance (solo) and Break free set the ground on fire. Dance competition was one of the scintillating events being enjoyed by the viewers. Live painting, Face painting and Rangoli making competitions were held and materials were provided to the students. All the participants added up life to the dead canvas.

The art of speaking is the art of discovering what you believe. The speaking talent of the participants was judged in Debate competition. The participants took us on a journey where they painted a whole new world with their words. The participants were judged by creativity, relevance, expression, clarity, power and vocabulary. Poetry is when an emotion has found its thoughts and the thoughts have found its words. The performance of poetry is an art, just as much as the writing of it. To encourage the flamboyant poets, competitions were organised for the budding poets where they used the power of their words to move the audience. It was followed by the award ceremony.

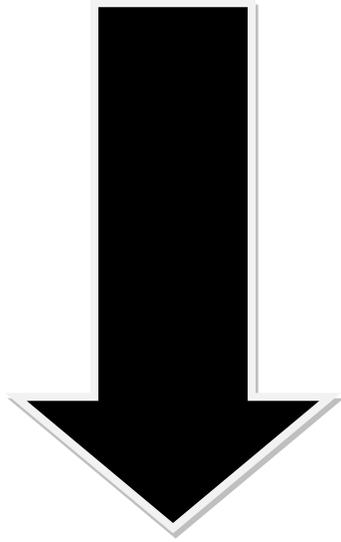

The event was concluded by a formal vote of thanks by Ms. Chitra Khirdwarkar. STIMULUS 2K18 has epitomized the ultimate array of cultural activities on an Institute platform. The event moving from one to other showed the diversity and diligently organized proceedings. Keeping heart, mind and soul, the institute bought a treasure of talent. A soul that was vibrant, contagious and exuberant. It has been a paradise for the young generation for them to nurture and showcase their cultural and managerial skills.
