## Examination Reforms

National Medical Council has brought about a major reform in 2019-20 by introduction of Case based question in MBBS question papers. This addresses the competency based assessment of the students. This case based questions orients the students to solve real clinical like scenarios.

20% of the marks are allotted to MCQ type of questions

Robust methods of procuring the Question Paper through offline and online mode from Senior Faculty members from different universities

Moderation of the papers is carried out by senior professors to ensure the questions are equally covers the entire syllabus and free of errors. A minimum of 5 set of question paper per subject.

The moderated question papers are stored in separate strong room accessible only to Asst. Registrar (Exam)

Random selection of question paper by Registrar, Malwanchal University, in presence of senior faculty member across disciplines.

Double valuation is done at both UG and PG level by the internal and external Examiner.

Ample time gap between pre-university examinations and final examination for students to revise

Practical examination procedures are done under CCTV coverage to ensure impartial conduction of examination

Robust system of revaluation and retotaling

The Supplementary Examination is conducted within 3-4 months to allow the students to clear the subjects without losing out time

## Incorporation of Information Technology in Examination Procedures

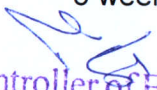

The examination section of the university has integrated the information technology to manage the Examination Procedures. This process has speeded up the functioning and smooth execution of examination exercise with minimal chances of error, at the same time ensuring transparency in the whole process. Starting from filling up the examination forms, Online payment of fees, downloading the hall-ticket, online submission of Internal and External practical and viva-voce marks, Tabulation of marks are fully automated

3 high speed printing machine are available at Office of COE to ensure full proof printing of question papers

All the examination Centers equipped with CCTVs with signal jammers.

During the COVID-19 Pandemic, the university conducted the continuous Internal Assessment Online.

The results of the annual end university examination are declared with a period of 2-3 weeks after the completion of the Examinations.
