of reading material, Screen Reading**

MALWANCHAL UNIVERSITY, INDORE

Disabled friendly free campus

The organization has realized that differently able person need special arrangements in the environment for their mobility and independent functioning. The initiative to provide disabled friendly facilities helped students, staff, patients and visitors with permanent and temporary disability. The following facilities are available in the constituent units of the Malwanchal University including Index hospital.

- 1- **Ramps:** - Ramps are available in Institution as well as hospital. In the hospital wheel chair and attendant to assist the patients all are also made available. Ramps are available in every building.
